HOCKEY MANAGERS HOLD MEETING

Representatives of Intercollegiate Hockey Association Discuss New Rulings at New York Gathering

A meeting of the Intercollegiate Hockey Association was held at the Pennsylvania Hotel, New York City, on the afternoon of Sunday, Nov. 5th. Hamilton was represented by Manager Louis George and Captain W. M. Thompson. At the gathering there occurred a comprehensive discussion of plans for the coming season and rules to be adopted for the regulation of league games. Harvard, Yale, Columbia, Princeton, Dartmouth, Cornell, and the University of Pennsylvania were also represented by their respective managers.

Much consideration was given proposed changes in rules. The limitation of substitutes to not more than three or four in one game by one team was left for further discussion. Importance is attached to the new regulation adopted which permits a player to be off-side within twenty feet of his own goal. The rule concerning the time between periods was changed, so that in the future, the intermissions will be ten minutes each. Several other minor alterations were considered, some of which were adopted.

A board of referees will be established for consultation on the matter of making and enforcing rules. This board, while its selection of officials will not be made according to hard and fast regulations, will endeavor to make the rules standardized and more specific. It is the plan of the Association that each proposed referee will be supplied with a copy of the approved rules before every contest.

Publicity is to be given the League in the hope of strengthening it. Managers will be required to report all victories and defeats to the general secretary. A definite schedule will soon be made public. That Hamilton with its excellent rink will see a good proportion of the games is assured. Manager George states that there are prospects of Dartmouth, Columbia and U. of P. coming to Clinton and of the Buff and Blue making trips to Princeton, Yale, and Harvard.

PAUL B. WILLIAMS, '08 ELECTED EDITOR OF PRESS

Will Assume Office of Editor-in-Chief Immediately—Harry Coupe, '21, Chosen Sporting Editor

Paul B. Williams, '08, was elected to succeed George Earl Dunham as editor-in-chief of the Utica Press. Mr. Williams while at Hamilton was quite a prominent man. He was Psi Upsilon and Pentagon and for the last eight years has been the secretary of the United State Lawn Tennis Association. Mr. Williams has always taken an active interest in The Press, ad although he has not been a member of the staff for several years, he was considered the best qualified man for the position of editor. He was elected to this position on Sunday Nov. 12th, and is expected to take over the management of the paper immediately.

Another Hamilton man on the staff of The Press received a promotion. Harry Coupe, '21, now holds the position of sporting editor, and has already assumed his new position.

INSTRUMENTAL CLUB SELECTIONS MADE

Fourteen Men in Personnel—Manager Yates Busy on Winter and Spring Trips

Charles S. Langtry, leader of the 1923 Instrumental Club, has announced the personnel of the club for the coming season, and stated that he does not intend to make further cuts this year. The men who made the club are as follows: banjos: Langtry, '23, Lent, '24, Dowdell, '24, and Riffle, '25; saxaphones: Bingham, '25, Mahannah, '25, Skinner, '26; violin, Reidel, '24; piano, Fitch, '23, and Katz, '26; cornet, Bates, '24; trombone, Marks, '24; piccolo, Brazeau, '26; drums, Squier, '26.

Manager Yates is busy making out a tentative schedule for the Musical Clubs, and expects to submit one at the next meeting of the Executive Council. There will be the usual Prom concert, one or two engagements in Clinton and Utica. Manager Yates is also planning one or two week-end trips. If the proper arrangements can be made, one of the week-end trips will be to Buffalo with appearances at Syracuse and Rochester.

The Easter trip as being planned will be a series of concerts from Utica to Philadelphia, Baltimore, Washington, and New York. These plans are merely tentative and must first be approved by the Executive Council before Manager Yates can book the concerts.

The Glee Club, under the leadership of Hawley Fitch, has been practicing frequently and Leader Langtry has distributed the orchestrations for the first rehearsal of the Instrumental Club, to be held some time this week.

THOMPSON RUNS FOR NEW YORK A. C.

Secures Eighth Place in Annual Six-Mile Race at Van Cortlandt Park With Time of 37 Min., 46 Sec.

Watson Thompson, Hamilton's star long distance runner, made an excellent showing at the annual six-mile run of the Senior Metropolitan Amateur Athletic Union last Saturday in New York. Thompson, representing the New York A. C. came in eighth, making a time of 37 minutes, 46 seconds for the entire distance, less than three minutes behind the winning runner.

William Ritoda, the runner for the Finnish-American A. C., again won the championship with a time of 34 min., 52 4-5 sec., crossing the tape with his nearest rival out of sight. Ritola created a new record for the recently adopted Van Cortlandt Park trail, displacing the course record of last week of 36 min., 47 2-5 sec., made by a fellow Finn, August Fager.

Of the forty-three runners that started, thirty-eight ran the full distance. Ritola gained the lead after the first hundred yards, retaining it until the end, with Prim, likewise of the Finn-American A. C. finishing second.

This victory registered another clean-up for the Finns. They easily won with a low score of 41 points, scoring a similar victory a week ago in the district's junior title race. The New York A. C. finished with a total score of 86, Thompson being their first runner to finish.

UNION ELEVEN DEFEATS HAMILTON BY SCORE OF 21-6 IN LAST GAME

Garnet's Strong Attack Outwits Buff and Blue in First Half, But Varsity Stages a Come-back in Third Quarter, When Morris Scores Touchdown —Entire College Body Attends Game at Schenectady on Saturday.

One tradition was upheld and another shattered in the Garnet's 21-6 victory in Schenectady Saturday over the Buff and Blue. The tradition that Union wins the Hamilton football games played in Schenectady was upheld. The tradition that Hamilton is unable to score a touchdown on Union's field was shattered.

A little red-haired quarterback was the cause of this destruction of tradition. It must be that during the half time he was reminded of the fact that Hamilton hadn't scored a touchdown on Union's field since 1914 and that there was no time better than the present for Hamilton to break the jinx, because at the start of the third quarter, he ignited some fireworks with an eighteen-yard run, the longest of the game, stiff-arming and dodging in a splendid open field manner. His team was then held for downs, but as soon as it got the ball again, he plunged and raced and dodged until the ball was safely over the goal line.

Everything was in Hamilton's favor during this quarter. She made five first downs to Union's one. The fourth quarter was closely fought. Union tried two place kicks in this period but was unsuccessful in both attempts. In the first period, Union took advantage of several penalties and scored a touchdown five minutes after the game started. In the second quarter Union displayed an attack which seemed to dazzle the Buff and Blue. The Garnet was in its best form of the year, combining varied tactics of mass formations on center with end runs and spread formations which netted them two more touchdowns.

Captain Heidorf of Union creditably crowned his brilliant football career. His punts and passes were accurate, his end runs cyclonic, his line plunges consistently advantageous, his tackles menacing. As a quarterback he displayed a keen perception of the weaknesses of his opponents. During the second half he concentrated his attack on the right side of Hamilton's line.

Chidsey worked himself to a frazzle for the Garnet. His plunges of six, eight, and ten yards through the center of the line were of great benefit to his team until he was injured in the last quarter.

Fowler and Captain Warren played in their last game for the Buff and Blue. Fowler's tackles, his spotting of the opponents' plays, and his accurate passes from center were typical of his play all season. Captain Warren was a consistent gainer, plunging through the line for several valuable yards. Alison's punts and end runs featured his play.

Three hundred Hamilton students replied to the rival yells of the Garnet supporters. Between the halves Hamilton former the "H" on one half of the field, and Union their snake dance and "U" on the other. Hamilton yelled for their team and for Union, and sang "Carissima." Union replied with yells for Hamilton and the Garnet, and sang their "Alma Mater." When the students had left the field, the Union team of 1887, their first football team, took the field intact with eleven men, and performed an end run for the approval of present day critics.

First Quarter

Fowler's kick-off bounded along the ground to the ten yard line. Stanley made one yard for Union through on a long run around his own right right tackle. Heidorf gained two more around end and punted out of bounds on Hamilton's thirty-five yard line. Alison was forced to punt.

On the next play Hamilton was penalized five yards for being off-side. Chidsey gained three yards for Union through left guard and Heidorf two through the line. On a fake end run Chidsey tore through left guard for twenty yards, stopping on Hamilton's twenty yard line. Heidorf finally punted to Hamilton's eighteen yard line.

Martin ran around the end for thirteen yards, making Hamilton's first down. Martin gained two yards thorugh right guard but Alison was thrown for a loss on an attempted left end run and punted to Chidsey, who ran the ball back fifteen yards.

On a mass play through left guard Stanley made nine yards. Heidorf gained, then smashed through right tackle for thirteen yards. Hamilton was penalized for off-side play, putting the ball eighteen yards from the Buff and Blue goal. Heidorf made three yards around left end. For the third time Hamilton was penalized five yards for off-side. Stanley plunged through left guard for a small gain. Palmer netted two yards through left guard, followed by Stanley working the same play. With two yards to go on the fourth down, Chidsey scored the first touchdown. Heidorf place kicked the goal. Hamilton received and was forced to kick. Martin, Alison and Warren failed to gain substantilly. Heidorf made seventeen yards on a long run around left end. On the next play Union was penalized fifteen yards for holding. The quarter ended with the ball in Union's possession on Hamilton's forty-seven yard line. Score: Union, 7; Hamilton, 0. First downs: Union 5; Hamilton 1.

Second Quarter

Heidorf was thrown for a two yard

Bart Carroll.

Now that the football season is over, those interested in Hamilton's team will begin to make critical reviews of the past games. Judging from the number of points scored, the success is not very out-standing, but we have not had a disastrous season by any means. From the very beginning of the year when the team work of the Buff and Blue was ragged, we have noticed a gradual development and improvement. The spirit of the team was kept at high pitch up to the very end. We have noticed plenty of fight and "pep" in each man playing on the eleven. The playing of the team was never a disgrace to the college.

One of the main reasons for the right sort of spirit in this year's team is the excellent coaching it has had. Bart Carroll came here this fall with a much greater problem facing him than anyone realized. With the raw material with which he had to work, he has accomplished a great deal. He has handled the situation most capably, and incidentally, has won the support of every undergraduate. It is true that wherever he has coached, the men under him have been willing to fight to the end, merely for Bart if for nothing else. He is a coach who leads his men rather than drives them, and in the long run, this is the best policy.

It would be entirely unjust to judge the ability of either the coach or the team from the number of points scored during the season, without taking into consideration other factors which enter into the matter. The students are in no way dissatisfied. We believe that it is the hope of every Hamilton man that next year will see Bart still with us, coaching the Buff and Blue teams.

The Bulletin Boards.

Many of the students overlook the fact that the bulletin boards in Chapel and in Commons are for their own benefit. To a casual observer, they appear to be more of a joke than a means of bringing important matters before the college.

Men post notices on the bulletin boards and allow them to remain long after they are of any use. Some of the more humorous students print would-be witty remarks on the slips of paper bearing some announcement. Consequently, we find much misinformation and irrelevant matter covering the boards from top to bottom. Such practices only hurt the students who wish to make use of the boards, and destroy the original purpose for which they are intended.

PRESS BOARD DRAWS UP NEW PROGRAM

Wallace B. Johnson, '15, Will Cooperate With Board in Publicity Work—A. P. Service Secured

The Press Board through the assistance of Harry Coupe, '21, sportin geditor of the Utica Press, will be able to make use of the Associated Pres wire for the broadcasting of Hamilton news. This service has long been one of the most discussed and hoped for means of getting college news in the columns of newspapers throughout the East. Formerly the Press Board sent telegrams to a few of the newspapers in the larger cities of the state, New York, Albany, Utica, Schenectady, Syracuse, Rochester and Buffalo. For the most part this system proved inadequate, due largely to the faet that the copy was sent to the newspaper offices "collect."

Other colleges that get more publiity than Hamilton has in the past have had access to such service, and consequently could put accounts of their activities before the public generally. The Associated Press service for Hamilton embraces practically all of the newpapers of importance in the East.

"Wally" Johnson, recently appointed travelling secretary for the college, had members of the Press Board to dinner at his home last week. Plans for cooperation were formulated, and the general policy to be pursued by the Board talked over. It was arranged to have another meeting some time in the immediate future.

As a result of a suggestion made to the Board by Bill Johnson, '25, the Board will send news of any college activities of the fellows to the newspapers in the towns in which they live. Within a few days, slips will be distributed in Chapel for the purpose of learning the full name of each fellow's parents, his home address and the name of the newspaper in his home town. Once the Board has possession of this information, it will be an easy matter to supply the home papers with news concerning the activities of the fellows in college.

In addition to the general press work, it was decided that the members of the Board send special articles about Hamilton to the leading preparatory school papers and also to some of the itnercollegiate magazines in the country. In that way it is believed that the secondary schools and colleges will be brought into closer contact with the life on the Hill.

It was also decided that the number of men writing for the Board be materially increased. The discussion emphasized the fact that if such a program is to be carried out, it is essential that it be done regularly and systematically to insure its success, and in order to do this, more men will be required to try out for the Board, which at present consists of but five men.

Mr. Johnson's new post as field secretary puts him in a position to cooperate with the board in its publicity work, and at the meeting he expressed his desire to assist the Board in whatever way he could. He himself was a member of the Press Board when in college and that coupled with his newspaper experience makes him a valuable aid to the present Board.

INAUGURATION OF NEW CHANCELLOR AT SYRACUSE

The State Board of Regents will hold its monthly meeting in Syracuse this month and will partitcpate in the inauguration ceremony of Dr. Charles Wesley Flint as the new chancellor of Syracuse University on November 17.

The board will be present at the installation exercises at 10 o'clock on Friday morning and will hold a board meeting at 2 o'clock in the afternoon. Besides the Board of Regents and Dr. Besides the Board of Regents and Dr. Frank P. Graves, State Commissioner of Education, representatives from more than 100 institutions, including universities, colleges and scientfic and religious bodies will be there. The delegates include Dr. Frederick C. Ferry, Dr. Farrand of Cornell, Dr. Cutten of Colgate and many other prominent men.

Dr. Flint is very popular among the students, although he has instituted many reforms. From present indications the scholarship requirements under the new regime are going to be more rigid.

HAMILTON-UNION GAME

(Continued from page 1.)

loss while trying to run around left end, and punted to Hamilton's five yard line.

Alison punted to Hamilton's twenty-seven yard line, where Heidorf made a fair catch. The Garnet captain made three yards around left end and later barely missed a place kick from the thirty-three yard line.

Alison punted to Heidorf, who ran the ball back to Union's forty yard line.

A pass from Heidorf to Chidsey netted five yards. Palmer plunged through left guard for seven yards, making it first down. Hamilton was penalized five yards for off-side. Palmer gained three yards on the next two plays, plunging through left guard. Stanley made it first down on the seven yard line. Chidsey made three yards through right tackle, and Stanley two. Heidorf skirted right end for the touchdown, faking a plunge through right tackle, and kicked the goal.

CAPTAIN CARL WARREN
Hamilton Fullback

Alison caught Sutton's kick-off and ran the ball to the thirty-two yard line. Martin gained three yards through left guard. Alison was thrown for a two yard loss. Morris fumbled and Stanley recovered the ball for Union on Hamilton's thirty-eight yard line.

On the third down, Heidorf punted out of bounds to the Hamilton twenty-nine yard line.

Rich intercepted a long pass from Morris and ran the ball to Hamilton's twenty-three yard line.

At this point Union concentrated their attack on the right side of Hamilton's line. Palmer and Rich gained eight yards through left tackle. Palmer gained around right end. Palmer and Stanley pushed through the line. Heidorf placed the ball on the two yard line. A series of plunges enabled Stanley to score a touchdown on the next play. Heidorf kicked the goal. Score: Union, 21; Hamilton, 0. First downs: second quarter, Union, 5; Hamilton, 0.

Third Quarter

Alison caught Heidorf's kick-off behind his own goal and ran it to the twenty-three yard line. Morris gained eighteen yards on a run around right end. Union was penalized five yards for being off-side. Welling threw Alison for a seven yard loss on an attempted end run and Alison punted to Chidsey, who ran the ball fifteen yards to Hamilton's forty-seven yard line. Union failed to gain and Heidorf punted.

The Buff and Blue now started on its march to the goal line. Morris gained seven yards around right end. Warren made two more through right guard. Morris netted two more through right guard, making it first down, and gained eight yards through left tackle. Alison skirted left end for three yards, making another first down. Warren gained one yard through left guard. Union was penalized half the distance to the goal line for holding, putting the ball on Union's thirteen yard line. Martin gained two yards through right tackle. Morris made first down on next two plays. He then gained two yards through center, and on the next play scored the touchdown, plunging through the Garnet line. Towne tried a drop kick for the goal but failed. The quarter ended with the ball in Union's possession on Hamilton's thirty-six yard line. Score: Union, 21; Hamilton, 6. First downs, third quarter: Union, 1; Hamilton, 5.

CAPTAIN ELMER HEIDORF
Union Quarterback

Fourth Quarter

Hamilton was penalized for being off-side. Union's attack failed to make any substantial gains and the ball was exchanged from time to time, each team keeping out of their danger zone. The feature of this quarter was a long pass from Mayer to Hamilton, but Nitchman of the Garnet intercepted another attempt at a forward a few mintues later. Morris was able to gain from time to time, giving hopes of another score to the Buff and Blue rooters, but the final whistle blew when the ball was in Hamilton's possession.

Hod dew! How are conditions this morning?

Let's begin this here "piece of writin' ", as Cal so delightfully puts it, with the weekly observation on slimer discipline, olden traditions and the etc. Cast away all despair! Last week an average of only thirteen slime per day was seen to traverse the grassy path. Think of that for improvement! Lovely, isn't it? And Supremus Gazookus Disciplinae Yates reports that three freshmen have been heard to say "Hello" during the past week. Looks as though all traditions were safe at last.

Now in the Faculty Blatter comes great tidings:

FACULTY ELEVEN EXPECTS GRUELLING FIGHT

To Clash With Clinton Firemen

FACULTY BOYS FROM HABOODLE REPUTED TO HAVE HEAVY LINE

"Next Saturday afternoon will see probably the kee-ee-nest gridiron battle of the local season when—etc., etc. "Bull" Durham, All-American quarter in 1776—etc., etc."

The ancient weakness of the Chi Psi breddern for yellow is again with us in the form of a new crop of raincoats. We fear there must be another deal on with the manufacturers of Uneeda Biscuits. Our aversion to rainy weather is now not an aversion to the rain but to these infernal, jaundiced slickers.

We note that Long Mike McGiffin is being initiated into the secrets of the manly art of self defense by Past Master Kutz. The better to control his infant brother, Tiny Ike, we presume. Now, Mike, when you learn to box use your energy on these neophyte cheer-leaders who insist on rehearsing vociferously in the dorms. The gym is always glad to function as a padded cell if they must practice, and we suppose they must. Speaking of the gym reminds us that the Psi U piano has wandered thereto. This will save the Psi U's from bothering to put a notice on the bulletin board in quest of the lost relic.

Something more definite has gotta be done about this Prom business, so there! The powers that be are writing to Prex from Vassar, Smith, Skidmore and—even from the Utica Free Academy. They complain that they can't fix their holiday periods until we settle on the date for Prom, and they are quite right. Think of the flutter that the poor dears must be in—probably the most indeisive flutter, etc., etc. They'll all be worried bald-headed. How simply awful!

Now the trite old subject of ambition. Inasmuch as Yule is engaged in studious imitation of Rodolph Vaselino, even to the grease on his raven locks, and now that Bill Lewi writes for the "Metro and the Cosmo, you know", we, the hoi polloi, may as well help 'em along. Handsome Howdy has one eye on the cinema, so if you can advise the poor guy concerning the best methods of beoming a second Rodolph, do so. We've never seen your idol with dimples on, Howdy; it's a shame, too. And Lewi would like to have any old themes anyone has on hand, because, as he says, they all look the same to the editors.

OUR SONG HITS, NO. 1

"When Barny Mahannah plunks the ole Piannah."

(Oh, boy, he only bangs 'em out in G.)

P.S. Di you sign the Thanksgiving Proclamation? If not, why not?

Fade-out.

X-COUNTRY TEAM HAS UNDEFEATED SEASON

Varsity Runners Have Captured First Place in Every Meet—Clark Remains for Next Year's Team

The Hamilton College cross-country team completed the most successful season of its existence, when it recently won its seventh consecutive victory by a 22-33 score over the Army. The team has been undefeated since it lost to R. P. I. at Troy on October 22, 1921.

Cross-country has developed rapidly at Hamilton. In 1919 the first cross-country team to represent the college entered a triangular meet at Rochester and was defeated by Rochester and Hobart. The next season there were two meets on the schedule, one of which resulted in a victory over R. P. I. and the other in a defeat by Rochester. Last season the team won three out of four meets, and this year they remained undefeated. For four years the team has been composed largely of men in the Class of 1923 and their loss will be keenly felt next year.

In every meet but one this year, Hamilton men secured four out of the first five places, and in the Alfred meet they even made it a quadruple tie for first. These four men, Thompson, Van Hoesen, Clark and Yates, were severely handicapped by the lack of a good fifth man. Richards was the fifth Hamilton man to finish in two meets, and Gardner in the other two, but in no case did they beat their opponent's fifth man. Castle, Fenn, and Doane, who all made places in meets last year, were unfortunately unable to run this year.

In view of these seven victories Hamilton may well lay claim to the cross-country championship of the small colleges of the East. In 1921 R. P. I. was the claimant of this title.

Of the men remaining to form next year's team, Clark is the only one who has placed consistently among the leaders. Richards, Gardner, Lynn, and Pottle comprise the rest of the first squad, and it is hoped to develop these five men, with additions from this year's candidates and next year's freshman class, into a winning combination.

1922 Schedule

Oct. 7:Rochester (cancelled); Oct. 14: Colgate 24-31; Oct. 21: R. P. I. 22-33; Oct 28: Alfred 20-35; Nov. 4: Army 22-33. Total Points: Hamilton 88; Opponents 132.

ENGINE DEMONSTRATION IN HOCKEY BUILDING

Two Mechanics Tear Down and Rebuild Marmon Engine in Fifty-seven Minutes

Last Wednesday afternoon in the Athletic Building the Nordyke and Marmon Company of Indianapolis gave a demonstration of the standard Marmon engine. The main feature of this was the complete tearing-down and rebuilding of a Marmon engine by two mechanics, the entire process taking only fifty-seven minutes. This was facilitated by having the engine on a revolving platform so that the underneath parts could be reached from above, but the cold air hindered fast work. The night before the work had been completed in forty-three minutes in the lobby of the Hotel Utica. The company has a record of doing this in thirty-seven minutes and ten seconds. While the mechanics were working, Mr. W. B. Campbell from the Idianapolis sales deparment explained the different parts as they taken out, answered questions in regard to the engine, and told the main features of the Marmon automobile.

This demonstration is being given throughout the country in all the large cities and at many of the colleges. This is not only an advertisement, but is educational, as the majority of college students know very little about the more complex parts of an automobile engine, how they are put together, and how they function.

DISCIPLINE COMMITTEE MAKES BANQUET RULES

Underclassmen Are Held to Strict Observance Throughout Banquet Season

The Upperclassman Discipline Committee recently adopted a set of rules for the underclasses to follow in holding their banquets, which must be strictly adhered to. This committee will have general supervision over the banquet season, beginning Monday, Nov. 13.

As to the disciplining of the Freshmen, a number of names have already been brought to the attention of the committee, and these delinquents will be dealt with some time in the near future. Whatever form the disciplining will take, it is hoped that it will fulfill its purpose as efficiently as the former custom of "horsing."

The rules adopted for the banquet season of 1922:

1. The season for underclassman banquets shall be from November 13 to December 20.

2. Banquets may be held only between the hours of 4:30 p. m. and 8 a. m.

3. Banquets must be held in towns within a 35-mile radius, with the exception of Little Falls.

4. No men shall be tied so that they miss classes.

5. There shall be absolutely no rowing in hotels.

COLLEGE Y. M. C. A. HAS BIG MEETING

Discuss Plans for Year—Special Program on Hill for National Prayer Week

A business meeting of the Y. M. C. A., at which all members of the organization were invited to be present along with the cabinet, was held in Silliman Hall last Thursday evening. A financial report for last year was presented, showing that one hundred and seven dollars are on hand. The movies which are presented in Commons every Saturday night have been poorly attended this year. It was decided to advance the price of admission to the movies to thirty cents for the rest of the year. All profits from the movies are to be sent to the Near East Relief Commission.

Last spring from June 16 to June 22 a Y. M. C. A. convention was held at Silver Bay, Lake George. Fenn, '23, and A. Warren, '23, represented the Hamilton Y. M. C. A. at this convention and last Thursday evening gave their reports.

Beginning Sunday, Nov. 19th, Professor Rudd will give a series of lectures in Silliman Hall on the Heroes and Heroines of Israel. A total of five lectures will be given.

Plans are now under way for an Interfraternity Pool Contest, under the auspices of the Y. M. C. A. Each fraternity will choose its two best players to represent it, and then the contest will be run off by elimination.

The national week of prayer will receive particular attention by the "Y", and the cooperation of all the students is urged in making this undertaking a success on the Hill. Every night at 7:45, prayers will be held in Silliman Hall. E. J. Weeks, '08, who for several years has been occupied in missionary work in China, will be present to talk and lead prayers on Wednesday night. On other evenings students who will lead prayers are: Thursday, McGiffin and Fuess; Friday, Olver and Packer; Saturday, Moore and Wood; Sunday, Williams and Scott.

CLUBS

Biology Club

A meeting of the Biology Club was held on Thursday night, Nov. 9th, at Dr. Morrill's house. Reports were read by President Carl Warren, on "Phosphorescent Life Under the Sea"; by George Marks, '24, on "Hormones"; by Lloyd Lewis, '24, on "The Cerebellum"; and by John Condon, '25, on "The Value of Proteins". Refreshments were served by Mrs. Morrill.

History Club

The first meeting of the History Club this year was held Thursday, Nov. 9th, at the Beta Kappa House. An election was held, with the result that Euler, '23, was chosen president, Meehan, '24, vice-president, and Curran, '24, secretary and treasurer. It was decided to take the history of Hamilton College as the subject of study for the first semester. Future meetings will be held every second Thursday night.

German Club

The first meeting of the German Club was held Monday night, Nov. 6th, at Dr. Hauch's house. As a result of the elections held, Euler, '23, was chosen president, Schultz, '23, vice-president, and F. Wood, '24, secretary and treasurer. It was voted that the past policy of admitting only upperclassmen to the club be extended to take in by election certain underclassmen who are taking advanced courses in German. The program for the first semester is to consist of discusion by the members of the literature of Germany, together with talks by members of the faculty and outsiders. Future meetings will be held on alternate Wednesdays at the Beta Kappa House. The topic for the next meeting, Nov. 22, will be "Europe and the Literature of Today."

Newman Club

The Newman Club will hold its second meeting of the year on Thursday evening at 8, at St. Mary's rectory in the village. Father Dwyer will give an illustrated lecture on the early history of the church.

Latin Club

The first meeting of the Latin Club was held last Thursday evening at the home of Prof. Chase. Prof. Chase spoke about his travels in Europe and described the beauties of the American Academy in Rome. Officers are Chastney, '23, president; Stuart, '23, vice-president; F. H. Wood, '24, secretary.
